## FARMED SALMON EXPOSED

“Farmed Salmon Exposed: The Global Reach of the Norwegian Salmon Farming Industry” lifts the lid on the problems caused by open net cage salmon farms worldwide.

## THE END OF THE LINE

Imagine a world without fish

Reviews of The End of the Line:

*“A powerful and troubling indictment of global fishing policies.”*

The Telegraph

*“If someone tells you there are plenty more fish in the sea, refer them to this alarming documentary.”*

The Observer
